

Dear Ben's Bells Community,

Our main focus during these uncertain times is to show kindness to our staff, patrons, and volunteers. Effective immediately, Ben's Bells will close its studios and shop to all groups through the end of March. At that time, we will assess the situation and update you on any further closures. This is primarily a cautionary response to COVID-19 (coronavirus). We want to ensure that the safety of our kind community remains our top priority.

There are still many ways you can support and/or engage with us!

- [Shop online](#)- We will still be operating our online sales. Now more than ever spreading the kindness message is exactly what our community needs. We will be open from 10-2 on Thursdays for pick up.
- Kindness tools - Engage with our kindness tools online via our website at bensbells.org where you can find information about our programming and online shopping.
- Social media - Visit us on [Instagram](#), [Twitter](#) or [Facebook](#) for continuing kindness content and further updates on the actions we are taking to ensure the safety of our community.
- [Donate](#) - As a small nonprofit, your donations are more important than ever. Your donation helps us to retain as much of our staff as possible during the closure.
- [Arizona Gives Day](#) - Schedule your donation here for Arizona Gives Day on April 7

We appreciate your support and understanding. We are committed to reopening as soon as it is possible. We will keep you posted regularly. Until then, please remember to keep kindness at the forefront. It's what allows our communities to thrive and rebound after setbacks. We are so grateful for all the kindness you've shown us over the years and know that together, we can weather any situation.

Sincerely,

Ben's Bells Staff
